

EKS 215a

Automated Guided Vehicle System

Medium/High Level Order Picker

JUNGHEINRICH

Automated Vertical Order Picker 1.5t

- Standard truck EKS electric order picker combined with appropriate safety technology as well as automation and navigation components.
- Works with laser navigation using reflectors on the ground.
- Can be used in mixed operations with manual trucks and pedestrians.
- Modern 48-V 3-phase AC technology ensures long periods of use without battery charging.
- Precise pallet handling thanks to laser navigation
- Efficient, process-reliable completion of routine tasks
- ERP connection via Logistics Interface for optimised processes
- Flexibility thanks to adjustable forks

LI-ION
technology

5 YEARS
GUARANTEE
